

Baby brother,  
all you do is sleep  
and drink milk.

Mama says I have to wait  
until you're older.

When you're older, we'll ride together  
on our bikes  
through the jungle.  
We'll see snakes  
on the branches of trees.

We'll hide in a cave  
hung with vines.  
Bats will send us messages.
